## Sai Baba Helped Me Win The Medal

I am studying in class III in Colonel's Academy in Mhow (M.P.), I play Chess very well so I was selected in my school team for Chess tournament where I represented my school. I was very nervous & I was very worried whether I would win or not. I prayed to Sai Baba to help me win the tournament. Just thinking and praying I fell off to sleep. Baba came in my dream Baba was wearing orange colour chola & orange patka Baba told me that don't worry my child you will surely win and Baba

gave me blessings by putting his hand over my head. I was very excited when I woke up. When I went for tournament I took Baba's photo with me. I had gone to Kothari College, Indore to play the tournament. I played very confidently and with Baba's blessings I won Bronze medal and our school came 1st. I felt very good when I was given medal in our School assembly. I thank to Baba who blessed me & I could play well and win the medal.

-Ritwik Marwaha, Mhow

## Sai Bhajans in Markham, Toronto by Rana Gill

Mr. Rana Gill performed Sai Bhajans in various cities if Canada during January 2010. As per his words "I had heard much about Shirdi Sai Baba temple in a place called Markham situated in Toronto city. It was my desire to go to that temple and this desire was disclosed openly to all my four Sai brothers who

gathered for arti, I stepped forward towards Sai Baba with an unknown power pulling me. I felt as Sai Baba is saying, "I was waiting for you since long. Do you not want Me to listen y o u here?" I answered, "I wish the same, but I don't know anybody here, how can I sing without knowing anyone here?" Such feeling, rather conversation between Sai Baba and

myself was going on, as I was interfered by Sai brother Sudhir ji, I was asked by him whether he can inquire with management of the temple for a chance to perform there. These were my thoughts 5 seconds ago and now they were taking shape. We, with full consent of Sai Baba, got appointment for next day evening at about 6:30 PM after evening arti. My happiness was indescribable in words and excitement was on peak level." Next day on 3rd January 2010, with all

devotion and love, Mr. Rana Gill sang bhajans in Markham, Toronto. Devotee

audience enjoyed in all means. Everyone present there felt presence of Sai Baba and were fully submerged in devotion.

On January 10th, 2010 vast Sai bhajan sandhya was held at Durga Maa Temple. The program was sponsored by Mr. and Mrs. Vijay Jaswal. Bhajans were sung by Mr Rana Gill with full Orchestra, and Baba is accepting Mr Rana's Seva by singing his bhajans. I as a reporter of Shri Sai Sumiran Times was amazed by listening to bajans especially when you are outside India. Mr. Rana told that he has released one CD "Sai Tere Hazaroon Naam" and currently he is working on his second CD. Atleast 400 people were present and they enjoyed Sai bhajans. Many people were dancing during Palki. Mr. Vijay had arranged a continuous Bhandra. Program ended with Baba's Aarti at 9 p.m.

Mr. Rana Gill extended his thanks to his companions Mr. Gaurav, Mr. Sudhir, Mr. Rajan, Mr. Vishal and Sai sister Shammi Chopra for giving them this great chance.

## Baba Blessed My Daughter

My name is Garima Goyal from Singapore. I want to share one more miracle of Sai Baba.

Few days back my daughter told me that she is having severe leg pain and she is not able to walk. First we thought that she is just pretending but as the time passed the problem increased. She was not willing to go to doctor as she was scared with doctor. The whole day passed and we thought its just a muscle pain and will go away after some time but the whole night she couldn't sleep. She was even not able to turn other side while sleeping and was trying to sleep in one position only which was very difficult for her. I was so worried whole night, then it was 4 AM in the morning she cried a lot and then I got too worried. Then I just remembered Sai Baba and asked Baba to help my daughter. Then after 2-3 seconds unconsciously I saw Sai Baba came to our room standing there and touching my daughter's leg and then I just woke up. It was such a good experience but I really didn't realize what had really happen. Is it really true? I thought it was just a dream.

After that we all slept and woke up at around 9 a.m. I was still worried about my daughter and I asked my daughter to come out of bed but she said NO (she said it might hurt her while walking) but after 5-10 minutes we asked again and she said YES I want to come out of bed and I can even walk now. I am OK now. That moment relieved my all worries and I just say Thanks to Sai Baba.

My husband told me that around 5'o clock he saw my daughter turning to other side while sleeping and then I told him the Sai Baba incident to him.

It was really a miracle for us and we are really thankful to Baba. I am really blessed by Sai Baba through Shri Jagtap Babaji. I pray Baba to remain with us and always.

## Baba's Miraculous Udi

I just wanted to share a Udi leela which happened last week. On 16<sup>th</sup> January night while having dinner, suddenly my wife's feet turned to the left while her leg was straight and she was in unbearable pain. Confused as I was, I was trying to locate emergency hospital. Then suddenly I remembered the Udi, I prayed to Sai Baba, took Udi and applied it on her feet.

Instantaneously, the feet became straight and the pain subsided.

What was pleasing the most was the saying in Baba's calendar for that day. "Apply Udi over the affected part and the pain will subside."

Thank you Baba for this wonderful Udi which removes all material miseries and provides spiritual progress-Hariharan Iyer

## Having Unwavering Faith

It is a cliché to question whether there is anybody like God or not! I myself have asked this question infinite number of times, but something which I am sure about today is that there is my Sai Baba, who keeps a constant record of who is doing what, when and how much belief my children keep in me when dearth circumstances come, do they curse me, remember me, believe me, or forget me! So today, I without jerking believe in the existence of Sai in my life; not because I curse or forget him, but just because I have that unwavering faith in him no matter what the circumstances have opted to offer me. I used to question SAI, how many times you are going to test my belief in you And everytime I was disappointed to get no reply from him. My expectations were like: "Sai come and talk to me physically, if you think I should believe in you; come pick that phone in front of me if you want to really talk to me, so that I know that you exist and are hearing me!" I never realized that my expectations/questions to Him were an answer in itself; that SAI is actually listening to me; he knows what I am talking about; he knows that I am angry from him; he knows I have miserably failed in something. And what made me say so, are my back to back experiences with him in different intervals of my life.

Now whether that experience is about an appearance when my family

and I met with an horrifying accident while on our way to Shirdi and surviving without even a scratch on our body, making me listen to his song when almost in a dearth condition to meet a deadline to submit a project, I see my required shop open at 11 pm; or making me do good deeds no matter how treacherous the situation is; or making me Top my batch during my management studies. I do not question him any more, because I strongly sense Him in my Parents and Sisters. I see SAI in them because when I am low in confidence or lose sight of my ambitions; they encourage me, they make me feel positive about myself that I can achieve all that what I want in my life. I see Sai in them, because I know they are his inventions in my life to make feel better & better about myself, because when I say I do not have this or that: I will always know and will say that I have my lovely Parents and Sisters, which in other way make me say that I am one of the luckiest people in the world. Life is a journey, in which we neither know the starting platform or the ending; therefore my mind, experiences and family do not allow me to think that there is no Sai as having that unwavering faith in him makes me feel all the more important in this selfish world. That I will lead my life under his shadow without questioning him as he is the only one who can see me through or see my spine.

-Rachit Kapoor, Delhi

## Teachings of Shri Sai Satcharita

We begin this series of learning from the nectar-like teachings of Shri Sai Satcharita with salutation to "Lord Krishna – the divine son Vasudeva, the destroyer of Kamsa and Chanoora, the supreme bliss of Devaki, the Teacher of the universe." It is Lord Krishna Who reincarnated by assuming the holy form of Shri Shirdi Sai Baba to open the eyes of all who are blinded by the darkness of ignorance. Sai Baba, Who is both Guru and Govind, came to bestow prosperity and liberation on all. He came to bestow the knowledge of the Self. He came to burn up the bondage created by humankind by accumulated actions of innumerable births. Baba lived in Shirdi for sixty years. During this period, He grinded the wheat almost every day. The spiritual significance of this is that Baba did not grind the wheat only, but the sins, the mental and physical afflictions and the miseries of His innumerable devotees. The two stones of His mill consisted of karma and bhakti; the former being the lower and the latter, the upper one. The handle, with which Baba worked the mill, consisted of dhyana. It was the firm conviction of Baba that, knowledge or self-realization is not possible,

unless there is prior act of grinding of all our impulses, desires, sins; and of three gunas, viz. Sattva, Rajas and Tamas, and the Ahankar, which is so subtle and therefore so difficult to get rid of. Thus, it is clear that one who makes complete surrender to Shri Sainath Maharaj, the Universal Guru, he will always be protected by Baba in all circumstances. In fact, Baba is showering His mercy on all this devotees. He is bestowing His grace on all his devotees so that they can come out of the darkness of lust, anger, vanity and covetousness, which are leading

humankind to hell, and turn toward Him. So if we want to achieve the real purpose of our life, that self-realization, we will have to make complete surrender to the lotus feet of the Universal Guru Shri Sainath Maharaj and remain clung to Him with unflinching devotion. Leaving aside all cleverness, we must endeavour to become His innocent children. We must have firm faith that our Baba is there to save us from the mental and physical afflictions and the miseries. He alone is our true mother, father, brother, friend, the knowledge and wealth. For us Baba is everything. He is God of all Gods.

## EXPERIENCE OF DEVOTEES

Yesterday evening my sister went out for a friend's party in the evening, saying she would be back by 9:30 pm. By 10:30 pm, she was not back. But we were not worried since we thought the party might still be going on and that she'll at least be back by 11 pm. But till 11:30 pm also she was not back. We tried calling on her mobile, but there was no answer. Not knowing what to do, we just kept waiting. We called her again and again also, thinking that she might be driving and hence may not be picking up her phone. Hours passed even after this, 12:00, 12:30, 1:00 and finally it was 1:20 am at night. We were frantic with worry by this time, not knowing what to do. She was not answering her mobile also during all this time. I kept thinking of all the dangers that might befall a girl driving alone so late at night in her car. Finally, at exactly 1:20 am, I turned in despair to my only refuge, my Sai. I prayed to Him saying that I was surrendering my sister's well-being to Him and that it was now His responsibility and I was not going to worry about it or try to call her any more. So fickle is my faith, that even after saying this prayer I was about to reach again for my

mobile, but something within me stopped me on time saying that having surrendered this problem to my Sai Baba, I should not and need not worry anymore about it at all. I felt at peace immediately despite the tenseness of the situation. With full faith this time I again invoked Sai and told Him that I had complete faith that He would bring my sister back home safely. I was praying to Him to do so immediately, because I was very tired and wanted to go to sleep! You will not believe this, but just 3-4 minutes after this, I heard some sound, like that of car wheels. Still I did not pay any attention to this, thinking that Sai is taking care, I need not listen to every sound and wonder if it was my sister or not. And in the next minute, we heard my sister at the door. She was back safe and sound, escorted as it were by my Sai Baba, my God. I do not have any words at all to express the greatness of Lord Sai Baba, Who heeds all His devotees' prayers and demands, at any time of the day or night, without even bothering if we are worthy of receiving His grace or not. I sincerely advise all Sai devotees to surrender to Sai Baba - He will take care of everything and fulfill all your desires.

-Devotee

## Two Lizards

Once Baba was sitting in the Masjid. A devotee sat in front of Him, when a lizard tick-ticked. Out of curiosity, the devotee asked Baba whether this tick-ticking of the lizard signified anything; was it a good sign or a bad omen? Baba said that the lizard was overjoyed as her sister from Aurangabad was coming to see her. The devotee sat silent, as he did not understand the meaning of Baba's words.

Immediately, a gentleman from Aurangabad came on horse-back to see Baba. He wanted to proceed further, but his horse would not go, as the horse was hungry and wanted grams. He took out a bag from his shoulders to bring grams and dashed it on the ground to remove dirt. A

lizard came out therefrom and in the presence of all, climbed up the wall. Baba asked the questioner devotee to mark her well. She at once went strutting to her sister. Both sisters met each other after a long time, kissed and embraced each other, whirled round and danced with love! Where is Shirdi and where is Aurangabad?

How should the man on horse-back come there from Aurangabad with the lizard? And how should Baba make the prophesy of the meeting of the two sisters? All this is really very wonderful and proves the omniscience -- the all-knowing nature of Baba.

Bow to Shri Sai - Peace be to all

-(Shri Sai Satcharitra)

## Faith And Patience

My name is N. Sairam and am from Bangalore. This miracle took place in the month of July 2009. Due to my careless attitude and I was not skilled enough to do my job well in my previous company, I was asked to quit the company on 31st May 2009. I was not given any notice period. It was shocking for me to lose my job all of a sudden but I couldn't do anything. I had to sit at home jobless for more than a month. I was severely searching for a job, but my efforts went in vain. I almost lost all hopes of getting a job. My bank balance also was getting diminished day by day due to family expenses and everyone in my family prayed to God for getting me a job at the earliest. In the last week of June 2009, I was called for an interview by a small private company near my house. I was hopeful of getting that job as I had done the written interview very well. Although I had not done very well in the last technical interview. Also, my fate was not in my favour to get any job easily. I did not get any calls from this company for more than a week and I thought that I was not selected for this job. During this period, my wife Uma (God's gift to me) told me that she was praying to Shirdi Sai Baba and having 'Vridha' (fasting with pooja) for 9 continuous weeks on every Thursdays. She had full faith that Baba would get me the job for sure.

Initially I did not have faith in Baba or in her pooja as I was a staunch devotee of Sri Rayaru at that time, hence I informed her to do the pooja on my behalf and I would

participate in it. As per my advice, she started doing pooja and we completed the 3rd week pooja on one fine Thursday. The previous day (Wednesday evening around 6 pm) of this 3rd week pooja I was worried a lot that whether I would get call from that company or not. I had not given any interviews in any other companies. All my family members were also worried for my job.

That evening I was browsing the net and came across a website about Shirdi Sai Baba where I found the experiences of His devotees and wonderful principles of Baba. I got so interested in that article published in that site about the importance of 'faith' & 'patience' one should have in 'Baba' and I started getting tears in my eyes while reading it. After that I developed strong belief in Him and I used to chant 'Jai Sai' within my heart and got completely surrendered to Him. It was at this very moment I got a phone call from that private company telling me to come tomorrow for the final interview. After hearing this news, my joy was boundless and my tongue immediately started

that company and was surprised to hear from them that I was selected for the job and I was asked to join the duty on coming Monday. Moreover the salary they offered me was more than what I asked for and my joy went boundless again and I thanked Sai a lot in my heart and came out of the company with the CTC letter offered by the HR of that company.

Then I immediately went to Shirdi Sai temple in that area and kept the CTC letter at the feet of Sri Sai Baba and asked for His blessings. Then I went to Sri Rayaru temple and got His blessings too and all my family members were really happy to hear this great news and we all thanked Baba once again. Our faith (me & my wife) in Baba had further tremendously increased after this incident and from then onwards we became His staunch devotees.

Only one thing I want to convey to all Shirdi Sai Devotees that 'It is not necessary to recite any mantras, what Sai wants from us is only 'Faith and Patience in Him' and nothing else. Just think of Him and say 'Sai Sai' in your mind is more than enough to get showers of His blessings.
